USANA

# Delicious Protein Snacks

We know it's not always easy to eat healthy. And as a leader in the health and wellness industry, we understand what it takes to remain at the forefront of science and product innovation. That's why we're constantly looking for new ways to make USANA® Foods nutritious, delicious, and convenient. With that, we've made a few additions to our foods line we think you're really going to enjoy.

And these new snacks are just the beginning. We're excited to grow and expand with a wide variety of products—each designed to suit your specific needs.

FEELING TEMPTED? **SNACK SMART.**
