Rihanna HER NEW BEAU'S TROUBLED PAST

They've just started dating, but **Rihanna**, 21, and L.A. Dodger **Matt Kemp**, 25, are already weathering a storm. A temporary restraining order filed in 2008 by Kemp's ex, actress **Felisha Terrell**, 33, has resurfaced (nearly a year after Rihanna was battered by her ex **Chris Brown**), in which she claims she endured "constant verbal abuse and threats." Rihanna's rep had no comment; Kemp's lawyer Richard A. Stitz says Kemp "denied all the claims and allegations." The case didn't progress, and Terrell "wants to move on," says her former lawyer David Diamond. Kemp's agent Dave Stewart adds, "This happened over a year ago. It's a nonissue for him."

Rihanna and Kemp (in L.A. Jan. 16) were introduced by friends in November.
