

USANA
TenX antioxidant
Blast™

With unrivaled antioxidant power, TENX offers many benefits for your health:

- Boosts antioxidant protection against oxidative stress*
- Promotes healthy skin*
- Promotes cardiovascular health*
- Supports robust immune function*

NEW!

Nutrition experts agree—we need antioxidants to protect our bodies against oxidative stress and to help maintain our health.* With 10 times the antioxidant power of most antioxidant health drinks†, **TENX ANTIOXIDANT BLAST™** is a delicious and convenient way to get the antioxidants you need every day.

- Packed with two servings of all natural, antioxidant-rich fruit, including apples, blueberries, raspberries, and strawberries
- Good source of fiber
- Free from added colors, artificial flavors, and preservatives
- Low-glycemic index of 31
- Enhanced with a proprietary blend of plant-based antioxidants, including quercetin, rutin, green-tea and grape-seed extracts, citrus bioflavonoids, and USANA's patented Olivol®, olive-fruit extract
- Excellent source of vitamin C
- No saturated fat, trans fat, or cholesterol

FAQs

Does this replace my other nutritional supplements?

No. It is very important that you continue taking your USANA® **ESSENTIALS™**, as they contain many vitamins and minerals not found in **TENX** that are necessary for optimal health.*

Because there aren't any preservatives in TENX, how long can I store the bars?

The **TENX** bars are best when stored in the refrigerator and consumed by the expiration date.

How many TENX bars can I eat a day?

The recommended adult dose is one bar per day.
