

More time to facilitate those who wish to pay by the Philippine Payment Service

Dear Pre-enrolled Prospective USANA Distributor,

(Please note: your sponsor has also received a copy of this e-mail.)

Thank you for pre-enrolling as a prospective Distributor of USANA in the Philippines. If you have not already done so, now is the time to finalize your enrollment by completing your USANA Application and purchasing a Business Development System (Starter Kit).

Just follow these simple steps to finalize your enrollment online:

1. Go to www.usana.com and click on the "Login" button at the top of the page.
2. Log in using the ID number and password provided to you during pre-enrollment.
3. Click on the "Online Enrollment" icon at the top of the page.
4. Click the "PH Finalize Enrollment" button under the "Express Enrollment" heading.
5. Provide the requested information in the applicable fields.

The Philippine Payment Service (PPS), which allows you to pay cash at any Union Bank branch for your USANA purchase, will be available from Monday, February 2, 2009. This additional payment option will help those who choose not to use a credit card for their online transactions.

To facilitate prospective Distributors who have been waiting for the PPS to finalize their enrollment, we have extended the deadline for doing so by two weeks - to Saturday, February 14, 2009. If you are paying through the PPS, please make sure you do so two days before the deadline, so that we can receive the confirmation of your payment in time.

Also, the deadline for you to upgrade to three Business Centers, and for you to qualify as a PaceSetter or a Platinum PaceSetter, will remain unchanged on Friday, March 13, 2009.

We welcome you to the USANA family, and thank you for sharing Dr Wentz' vision in the Philippines.
