

GMP CERTIFICATE OF MANUFACTURING FACILITY

No. MI-06032006-CE-000657-11

Usana Health Sciences Inc, 3838 Parkway Boulevard, Salt Lake City, Utah, USA, 84120-6336 has been subject to audit by officers of the GMP Audit and Licensing Section, Manufacturer Assessment Branch, Therapeutic Goods Administration (TGA). The TGA is part of the Australian Department of Health and Ageing.

From the knowledge gained during the last audit, which was conducted on 6-9 June 2005, it is considered that the company complies with the Manufacturing Principles of the Therapeutic Goods Act 1989 which, for the range of products manufactured by this company, requires compliance with the Australian Code of Good Manufacturing Practice for Medicinal Products.

The company manufactures vitamin, mineral and herbal preparations in non-sterile solid dosage forms, which were included in the above audit for supply to Australia.

This certificate remains the property of the TGA and must be returned upon written demand. The validity of this certificate may be checked by contacting the undersigned.

This certificate remains valid for 3 years from the date of last audit, provided that re-audits are conducted when scheduled by the TGA.
