

# ANOTHER RECORD YEAR IN 2006!

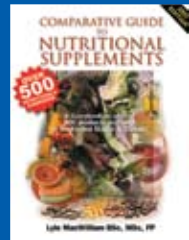

## Unparalleled financial results

- Paid out more than \$800 million in commissions to-date
- Increased Million Dollar Club to 73 Associates
- Surpassed \$374 million in sales
- Achieved record-setting growth for the 18<sup>th</sup> consecutive quarter (4 1/2 years)

## Recognition from respected national experts

- Ranked #12 on *Forbes*' "200 Best Small Companies" list, and the *only* direct sales company to make the top 20 for the last three years in a row (Nov. 1, 2006)
- Voted "People's Choice" for nine years running by *NetWork Marketing Today* & *The MLM Insider Magazine*
- President Dave Wentz named Chairman of Direct Selling Education Foundation & Vice Chairman of Direct Selling Association
- Listed in *The Wall Street Journal's* "Smart Money Stock Screen/Efficiency Experts" (April 20, 2006)
- Named one of Utah's "Best Companies to Work For" by *Utah Business* magazine (Nov. 2006)

## Products unequalled in quality

- USANA Essentials™ received highest ranking for a nutritional supplement in North America by *Comparative Guide to Nutritional Supplements*
- Awarded Utah's Best of State 2006 medal for dietary supplements for a record third year
- Received NSF International certification for successfully meeting all listing criteria for Dietary Supplement Standards
- Manufacturing facility received dietary supplement Good Manufacturing Practices registration by NSF International
- Selected as official nutritional supplement supplier for Sony Ericsson WTA Tour (Women's Professional Tennis)

## Making a difference worldwide

- Donated more than \$3 million to Children's Hunger Fund since 2001
- Treated more than 7,000 people at Dr. Myron Wentz' privately funded medical center in Uganda and broke ground on second facility in Cambodia
- Established an environmental policy to help USANA conserve energy, reduce waste, and lessen impact on the environment
- Received the Environmental Protection Agency's Green Power Partnership Certificate
