

Alicia Fahr, Actress & Artist

Early in life Alicia Fahr developed a passion for the fine arts, especially painting. Alicia, born in Argentina and now a naturalized Mexican citizen, **organized her first exhibit at age 20 and garnered several local and national awards.** She ultimately embarked on a **22-year acting career** that included roles in comedic and dramatic plays, as well as in soap operas and television shows such as *Mi pequeña traviesa*, *Amigas y Rivales*, and *Rubí*. Alicia also developed a keen interest in health, leading the actress to study nutrition in hopes of improving her quality of life. A strong supporter of USANA Founder Dr. Myron Wentz' vision, **Alicia is a USANA Associate** who shares her knowledge to raise health awareness and strives to leave a legacy for future generations.

“I know USANA products are backed by science and developed using only the best manufacturing practices. They help me feel and look my best. I trust my health to USANA, knowing that the company continues to be the leader in providing its customers scientifically advanced nutritional supplements.”
