

Dave Phillips, Children's Hunger Fund Founder

In 1991, Dave Phillips founded Children's Hunger Fund, a non-profit organization **dedicated to providing food and relief to suffering children throughout the world.** It was during a trip to Honduras that Dave saw first-hand young cancer patients fighting for survival at an understaffed and unkempt facility. He knew then that his life could be better served by assisting children. Since its inception, Children's Hunger Fund has **distributed more than \$800 million in aid to children in more than 70 countries.** Just like USANA Founder Dr. Myron Wentz, **Dave hopes for a world free from pain and suffering.** USANA and Children's Hunger Fund joined forces in 2000 to provide thousands of malnourished children with daily nutritional supplements and financial resources. Dr. Wentz also worked with Children's Hunger Fund to personally fund the construction of two state-of-the-art medical centers in Uganda and Cambodia.

“My heart is filled with gratitude for each one of USANA’s Associates who supports us each month. You are bringing hope and happiness to so many children worldwide.” *-Dave Phillips*
