

Bone Health

Bones are your defining structure—
not to be taken for granted.

Strong bones and flexible joints keep you standing tall throughout your life. What better way to keep them that way than by providing them with sound nutrition? When you try USANA's unique formulas for bone and joint health, you'll get the nutrients you need to support the architecture of your body!

Active Calcium Plus™ & Active Calcium Chewable™

ITEM# 120
AUST L 154785

ITEM# 121
AUST L 104363

Calcium supports strong bones, tissues and teeth and also has a wide range of health benefits. These benefits include healthy cartilage, joints and muscular activity.

- Contains advanced levels of calcium, magnesium, and vitamin D to optimise bone mineralisation and to ensure proper calcium intake
- Calcium supplementation may help reduce the risk of osteoporosis¹
- **Active Calcium Plus** also contains vitamin K to support bone health
