

CoQuinone™

## Look After Your Health

Look after your cardiovascular health with coenzyme Q10 (CoQ10). It is an essential nutrient for the basic functioning of cells. Our natural levels of CoQ10 decline as we age and with taking certain medications. CoQ10 is essential in energy metabolism and supports optimal stamina.

ITEM# 123 • AUST L 92552

- Supports normal and healthy heart function
- Provides superior antioxidant protection
- Contains CoQ10 which has a role in producing cellular energy<sup>1-4</sup>
- Includes highly bioavailable forms of CoQ10 and alpha lipoic acid
