

# CELAVIVE®

*go beyond what you see*

## ENHANCE

*Reveal Your Skin's True Potential*

## VITALIZING SERUM

Dramatically reduce the appearance of fine lines and wrinkles and the visual loss of elasticity to restore a healthy, youthful radiance to your skin. After just one application, skin is noticeably younger looking. Featuring natural botanicals and powerful peptides, this breakthrough, water-based formulation supports your skin's natural beauty-preserving functions. **Featured Science:** The Celavive® Complex, featuring **InCelligence®** technology, is made up of two bioactive peptides and two botanical extracts. This hydrating nutrient combination responds uniquely to each individual, working to help visibly counteract chronological and lifestyle stress ageing like fine lines and wrinkles by introducing key nutrients onto the skin for dramatically younger-looking skin.

## KEY BENEFITS
