Collin Raye is one of the most successful and critically acclaimed country male vocalists of our time. He boasts **10 Male Vocalist of the Year nominations, 15 No. 1 hits**—including “Love, Me,” “In This Life,” and “My Kind of Girl”—**24 top ten hits, and five platinum albums.** Collin has recorded 11 studio albums in addition to releasing a greatest hits compilation, a live album, and a live CD/DVD package. His most recent compilation, an EP titled *Selected Hits*, was released in 2007. To help maintain his health while meeting the demands of a rigorous schedule, **Collin began using USANA nutritional products and soon noticed the benefits.** Wanting to share USANA with others, Collin became a USANA Associate in 2006.

“I have the most loyal, wonderful, smart, loving, spiritual, and concerned fans in the entire world! That’s why I am so excited to be able to share something wonderful with them that I believe in 100 per cent—USANA Health Sciences. USANA is a nutritional supplement manufacturer made up of honest, faith-filled people who are committed to the well-being of body, mind, and spirit. USANA is my way of sharing some good fortune with people who have been so very loyal to me for so long.”
