What is Auto Order (AO)?

Auto Order is a recurring shipment sent directly to you on a regular basis. USANA will automatically prepare and ship your products every 4 week.

Benefits

① **10% discount on products ordered.**

(10% discount does not apply to Sales Aids and donations to USANA Foundation)

② **Convenient for keeping your Business Center(s) active.**

Auto Order Cycle

The week you ordered your Initial Order will be your Auto Order Cycle (Please refer to USANA Rolling Calendar). For example, when you purchase your Initial Order within the week of cycle② (or Pink colored-week), your Auto Order cycle will be always cycle② unless you change it .

Cancellation or Changes on your Auto Order

You could only change the products, cycle, or cancel your Auto Order **a week before your scheduled Auto Order**. *For Auto Order cancellation, please call USANA Customer Service.

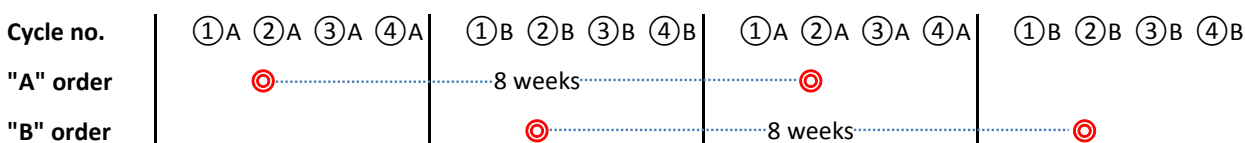

Auto Order "A" & "B"

You may setup your Auto Order with two different sets of products in alternating 4-weekly cycles. For example, you could set Procosa, and CoQuinone30 as cycle "A", and HealthPak as cycle "B". The system will alternately deliver each set of products every 8 week.

(e.g.) Cycle② A & B order.

② "A" = Procosa, CoQuinone 30

② "B" = HealthPak

Notice:

- Auto Order is automatically processed a week before the scheduled date. Discounts cannot be availed if you wish to make changes on the week of your Auto Order. (No discounts for NON-Automated Orders.)
- Auto Order can be cancelled a week before your scheduled Auto Order by calling USANA customer service.
- Auto Order may be automatically terminated when more than 3 Auto Order cycles were not processed.

Method of Payment

Credit Card: JCB, MasterCard, VISA

- ※ Only the applicant/co-applicant credit card is acceptable.
- ※ Payment in installments not available.

Bank Transfer: Name on Account : USANA Health Sciences Japan (in Katakana)
