the science of  
beauty

## Formulated with...

**InCelligence Technology,** Celavive helps unlock your body's power to defy visible aging. Featuring ingredients designed to support your skin's natural renewal processes, these high-performance skincare products deliver benefits unique to your individual beauty needs.

With key nutrients and powerful peptides, Celavive helps support healthy, beauty-preserving functions within your skin to battle the most common signs of visual skin aging, including wrinkles, dryness, loss of elasticity, photodamage, discoloration, and texture.

Go beyond traditional skincare regimens to rejuvenate your youthful appearance with the Celavive skincare system, only from USANA.

### CELAVIVE CELL-SIGNALING COMPLEX

The InCelligence technology found in Celavive is made up of two bioactive peptides and two botanical extracts. Combined, these ingredients work to visibly reduce the appearance of chronological and lifestyle stress aging, like fine lines and wrinkles.
